

# MISSION AERO OKLAHOMA 2022

March 30, 2022 | Oklahoma State Capitol

Aero Oklahoma is an event organized to recognize Oklahoma's aviation, aerospace and defense industry as a vital economic engine for our state. As Oklahoma's second-largest industry, aviation has a significant impact on the lives of our citizens. The event has been held for several years in the State Capitol. We invite you to partner with us during this unique opportunity for Oklahoma defense industry leaders, military, aerospace companies, private and commercial pilots, airport managers, municipal officials, drone pilots, educators, flying clubs, and the many users of the Oklahoma Airport System to meet one-on-one with state legislators and other elected officials. We hope to remind them of Oklahoma's strong aviation heritage and show them firsthand how the industry continues to solidify our state as a worldwide leader in aviation, aerospace, and aerospace and defense. If you are interested in partnering with us, please contact Sandra Shelton [sshelton@oac.ok.gov](mailto:sshelton@oac.ok.gov).

Gerrity Chapter, #215

The event is free but registration is recommended for event updates.  
Lunch tickets are available for purchase.
